Cell 2

Wire-Free Smart Security Camera

Full  Color

Cell 2 provides 4 MP live monitoring to see clearly what is happening in and around your home. Its rechargeable-battery can maintain you half a year security with only 1 time fully charge. Human detection technology enables the camera to intelligently detect human motion. Ensuring you are only alerted when a person, and not a stray cat, approaches. It supports four night vision modes for clear-as day clarity even in pitch dark.
